Subject: Application for Developer L4

Dear WIPRO Hiring Manager's

I am writing to express my interest in the **Developer L4** position at **Wipro**. With over **10 years of hands-on experience in PHP development**, along with a strong command of **front-end and back-end technologies**, I am confident in my ability to contribute effectively to your development team and deliver high-quality, scalable web solutions.

Throughout my career, I have worked extensively with **PHP (Core and Frameworks like Laravel/CodeIgniter)** to build dynamic web applications and RESTful APIs. My technical expertise also includes **React, React Native, JavaScript, jQuery, AJAX, MySQL, Node.js, and GIT**, allowing me to handle full-cycle development — from concept and design to deployment and maintenance.

Some highlights of my experience include:

- Developing and maintaining complex **PHP-based systems** with optimized database structures.
- Creating **RESTful APIs** and integrating third-party services for mobile and web platforms.
- Implementing **modern front-end solutions** using React and React Native for enhanced user experiences.
- Utilizing **version control (GIT)** and collaborative workflows in agile team environments.
- Ensuring **performance optimization, security, and scalability** across all projects.

I take pride in writing clean, maintainable, and efficient code while keeping up-to-date with the latest development trends and tools. My approach combines technical excellence with practical problem-solving, ensuring that every solution aligns with business goals and user needs.

I would welcome the opportunity to discuss how my background and skills can contribute to **Wipro**'s continued success. Please find my resume attached for your review.

Thank you for your time and consideration. I look forward to the possibility of speaking with you soon.

Thanks with Best regards,
Amit Sriwastav
